Judge:

A note to thank you for the very thoughtful gesture of inviting Bill and myself to your 75th anniversary. It was a most enjoyable program. The President said the right words and I think did justice to the honor which his presence brought to the Bureau -- an honor richly deserved.

The lunch was also a tribute to our palates and we are grateful for that.

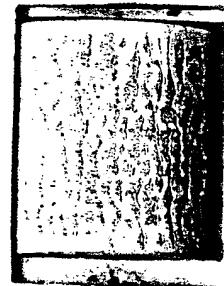

Again our thanks for including us. With best wishes for continued success.

Regards

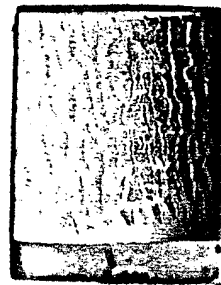

John N. McMahon
